

AMENDMENT TO H.R. 5247

OFFERED BY MR. MACKENZIE OF PENNSYLVANIA

[Page 9, beginning on line 9, insert the following new paragraph (and redesignate accordingly):]

(8) Seeking to engage with foreign governments to prevent and interdict the flow of covered synthetic drugs, and precursor chemicals when those chemicals are used in the production of such drugs, in particular from the People's Republic of China, including through strengthening international monitoring and enforcement efforts and developing metrics to evaluate the effectiveness of such efforts;
