The Honorable Rose DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington D.C., 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the “Sanitary Sewer Collection System Infiltration/Inflow Mitigation Project” in Fiscal Year 2027. The entity to receive funding for this project is Penn Argyl Borough, located at 11 North Robinson avenue Penn Argyl PA, 18072. The funding would be used to implement a sanitary sewer collection system rehabilitation project to reduce infiltration and inflow within the Borough's wastewater collection system. The project is an appropriate use of taxpayer funds because it will make the sanitary and sewer system more efficient.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Ryan Mackenzie".
